

MARKS ON AFRICA

5th Edition

Greetings from Dar

Greetings to all of you lovely people, 2016 will be your best year ever. No matter what the enemy does or says to you, your seed still remains inside of you preparing to germinate. Challenges and trouble may come, but your seed will start to grow. Your breakthrough will manifest to multiply. The enemy's assignment is to attack you, but your seed is designed to prosper you. Our responsibility is to protect and nurture the seed, by allowing the rain of God's spirit to fall and to identify and uproot the weeds.

Isaiah 55: 10-11 *As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.*

We thank everyone who gave sewing machines to the Sarah House, now these ladies can start to do business and make profits to become self sufficient.

All the children could get a Bible, the expressions on their faces were so rewarding.

We had the privilege to bless these children with a hearty meal.

Rene ministered to these women at a Ladies meeting and pampered them with pedicures. Karen led awesome worship.

We had an all night prayer meeting where we trained the pastors and leaders how to pray throughout the night and still keep the people engaged. A Church brought a bus load of people to our home for the all night prayer meeting. It was powerful to see the people experiencing intense warfare for the first time.

A whole new world opened to us for ministry. Some of The Missionaries of Dar organised a woman's conference and had my wife as the honoured guest speaker and Karen as the worship leader. People encountered God. What an awesome event and favour for my wife and Karen. Your gifting will definitely make room for you.

It was an honour to dedicate Paul and Aurelia's baby Adayah to the Lord, they are both attorney's who are being disciplined by us.

It was a sight to see my children play basket ball and soccer for the first time. This is a totally different culture of sport for these South Africans. We are proud parents to see how they have so easily blended in.

My wife and Karen led the worship and flowed strongly in prophetic songs on the Logos Hope Ship at the Dar House of prayer.

I had the privilege of leading a session and it was incredible. There were pastors and missionaries from all over and the crew members were waging warfare and declaring breakthroughs over the city.

This was a kairos moment and timely especially for Tanzania.

It was an honour for my wife to minister in the Presbyterian Church. Breaking religious spirits and flowing in the prophetic which really surprised the leadership of the church.

Awesome testimonies came from that meeting. Karen led the worship beautifully.

My Plan for the Pastors & Leaders Conference 15th - 17th September 2016

Our Pastors and Leaders Conference will be held in September this year.

We are officially starting the Laptop & Tablet Drive Project.

We want to bless pastors and leaders with Laptops and Tablets to empower them, train and set them up to have email addresses. Many of them do not even have an email address. Many pastors in the rural villages do not possess a computer.

We will provide basic computer training. It will be great if these churches could have their own database of all their members.

Remember that your seed will soon germinate to give you your harvest; it is just a matter of time.

Tunakupenda kwa undani
We love you deeply

So our appeal to you is to make this announcement in your Church at least once a month until September. New or used Laptops and Tablets should be collected. We will then be notified via email to arrange packaging for transportation.

Financial contributions towards this project should be stipulated when making a payment into the Marks family account. We will really appreciate your assistance in this project, as pastors and leaders will be equipped for God.
